

Digital ^{Media} Solution WEBSITE DESIGN

Here at AllCore,
we are taking the stress
and confusion out of website
design quotes for businesses;
we've eliminated the old standard
of quoting website design.

We are now **partnering with our
clients** in an effort to provide
them with their Online digital
media solutions at an
affordable rate with
**no crazy large
fees upfront.**

GIVE US A CALL

Let us tell you
about the new civilized
way of developing websites
with a business partner
that cares enough about
your business to invest
in your future!

ALLCORE'S WEBSITE DESIGN

At AllCore, we see you, our clients, as our partners and our goal is to build a business relationship with you and your company.

Our mindset is focused on the health and welfare of both companies and the longevity of our business partnership. We asked ourselves how can we make your business and ultimately your life better. We came up with the following design packages to do just that.

AllCore's Website Design packages include:

✓ DESIGN & DEVELOP WEBSITE

✓ WEBSITE HOSTING

✓ E-MAIL SOLUTION

✓ WEBSITE BACKUPS

✓ BASIC WEBSITE MAINTENANCE

✓ SOCIAL MEDIA CUSTOMIZATION

✓ RESPONSIVE DESIGN

You get all of this for one low monthly fee. That's right . . . No crazy upfront fees, no mortgage payments or giving away your kids tuition fund!
